

How to get to us...

From Pretoria, the 195 km drive to Mountainview takes less than 2 hours:

Take the N1 tollgate road through Kranskop, and take the turnoff to Naboomspruit (a.k.a. Mookopong). In Naboomspruit, go straight through the first traffic light (robot). At the second traffic light, **turn left**, and travel about 11 km. (When going through town, pass the Golf Club, then Spiff Chicken until you reach the T-Junction). You'll see a Mountainview sign on your left about 100 meters before reaching a T-intersection, where you will **turn left**.

Go about 3 km, and you'll see another Mountainview sign. **Turn right** at "Die Oog" sign board. Drive about 10 km and at a T junction, you'll see a Mountainview sign. **Turn right**. The road will turn to gravel. Travel about 12 km and you will find the **Mountainview main gate on your left**. You've arrived at your Mountainview getaway! Welcome...
